

# LI Yiquan (Ethan)

Email: yiquan@wisc.edu / 20083964d@connect.polyu.hk

Cell: (86)13592683087/(852)97000462

## EDUCATION

---

**University of Wisconsin, Madison**

BSc in Computer Science

United States

2023–2025

**The Hong Kong Polytechnic University**

BSc in Computing and Minor in Applied Mathematics

GPA: 3.71/4.3 (Top10%, Dean's List)

Hong Kong

2020–2023

## COURSES

---

With grade **A+ / A**: Operating System, Computer Vision, Machine Learning and Data Analysis, Computer Networking, Computer Organization, Algorithm, Software Engineering...

## PUBLICATIONS

---

- [1] Y. Li, **Li, Yiquan**, X. Dai, S. Guo, and B. Xiao, *Physical-world optical adversarial attacks on 3d face recognition*, 2022, **CVPR 23**.

## RESEARCH EXPERIENCE

---

**The Hong Kong Polytechnic University**

Undergraduate Research Innovation Scheme (URIS)

Hong Kong

2021–2022

- adversarial robustness under meta-learning setting with random labels

**The Hong Kong Polytechnic University**

Undergraduate Research Innovation Scheme (URIS)

Hong Kong

2022–2023

- structured light adversarial attack on 3D point cloud face recognition

## AWARDS

---

- Dean's Honours List in Faculty of Engineering (The Hong Kong Polytechnic University) 2021–2022
- Undergraduate Research Scholarship (The Hong Kong Polytechnic University) 2021–2022
- Undergraduate Research Scholarship (The Hong Kong Polytechnic University) 2022–2023

## SKILLS

---

- **Language:** English, Chinese
- **Computer skills:** C/C++, java, pytorch/tensorflow
